If you could choose any one, who would make up your dream foursome?

Ben Hogan, Phil Mickelson and Tiger Woods

How much do you practice? What parts of your game do you work on the most?

I probably practice four or five days a week during the summer, and maybe four days during the fall and winter.

How as Atlanta Junior Golf helped you or your golf game?

I think it has helped me learn how to play different courses. Earlier this summer I wasn't playing well and I shot 85. I was about to give up the game, and the next day I had my first Atlanta Junior Golf tournament at Barnsley Gardens. I shot 69 there, and I think that was the turning point of the summer for me.

How was your experience playing in the Atlanta Junior Golf Grand Championship?

It was a lot of fun and it was different. In this tournament, we were really going head-to-head, and it was a big deal. I really felt like it helped me play better. There was a little more pressure than playing in a regular tournament. It was really different.
